Chester the Birb: Just Another Day

ecoo

IN A SMALL TOWN CALLED BIRDIELAND...

CALM AND QUIET...

LIVES A FAMILY OF THREE BIRBS

A PEACEFUL WEEKDAY MORNING

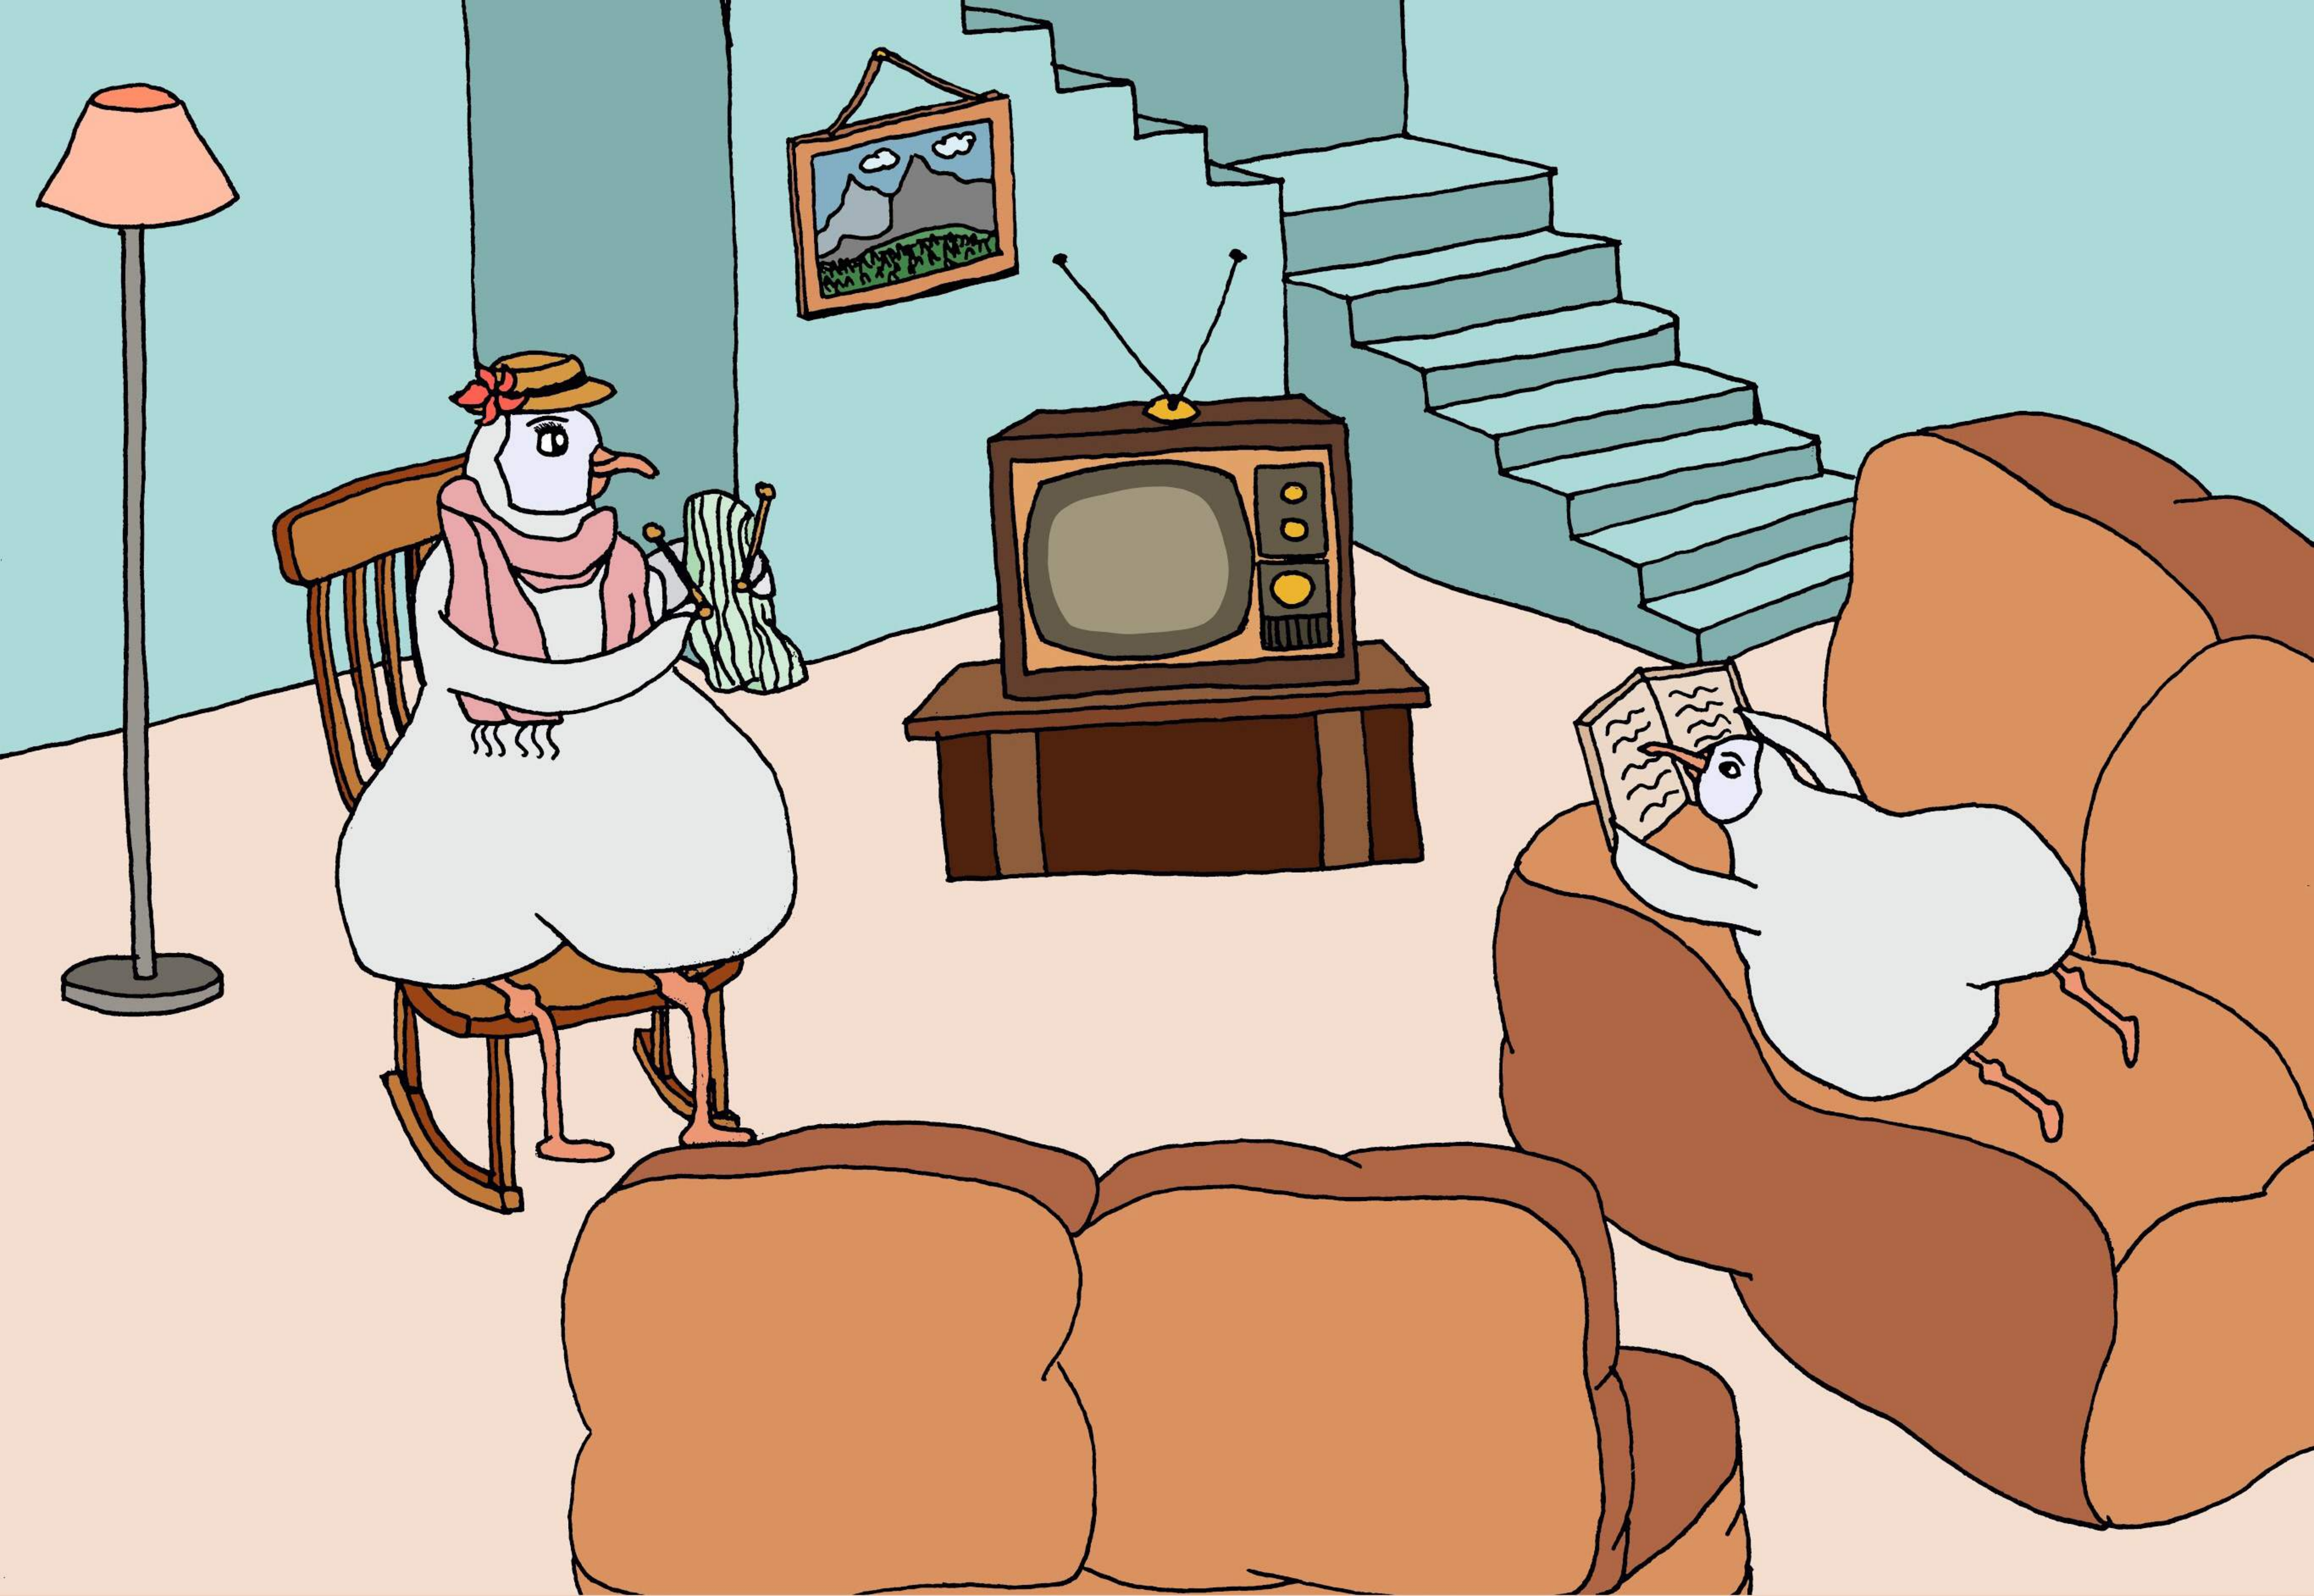

DADDY BIRB DROPS CHESTER OFF AT SCHOOL

DADDY BIRB GOES TO WORK

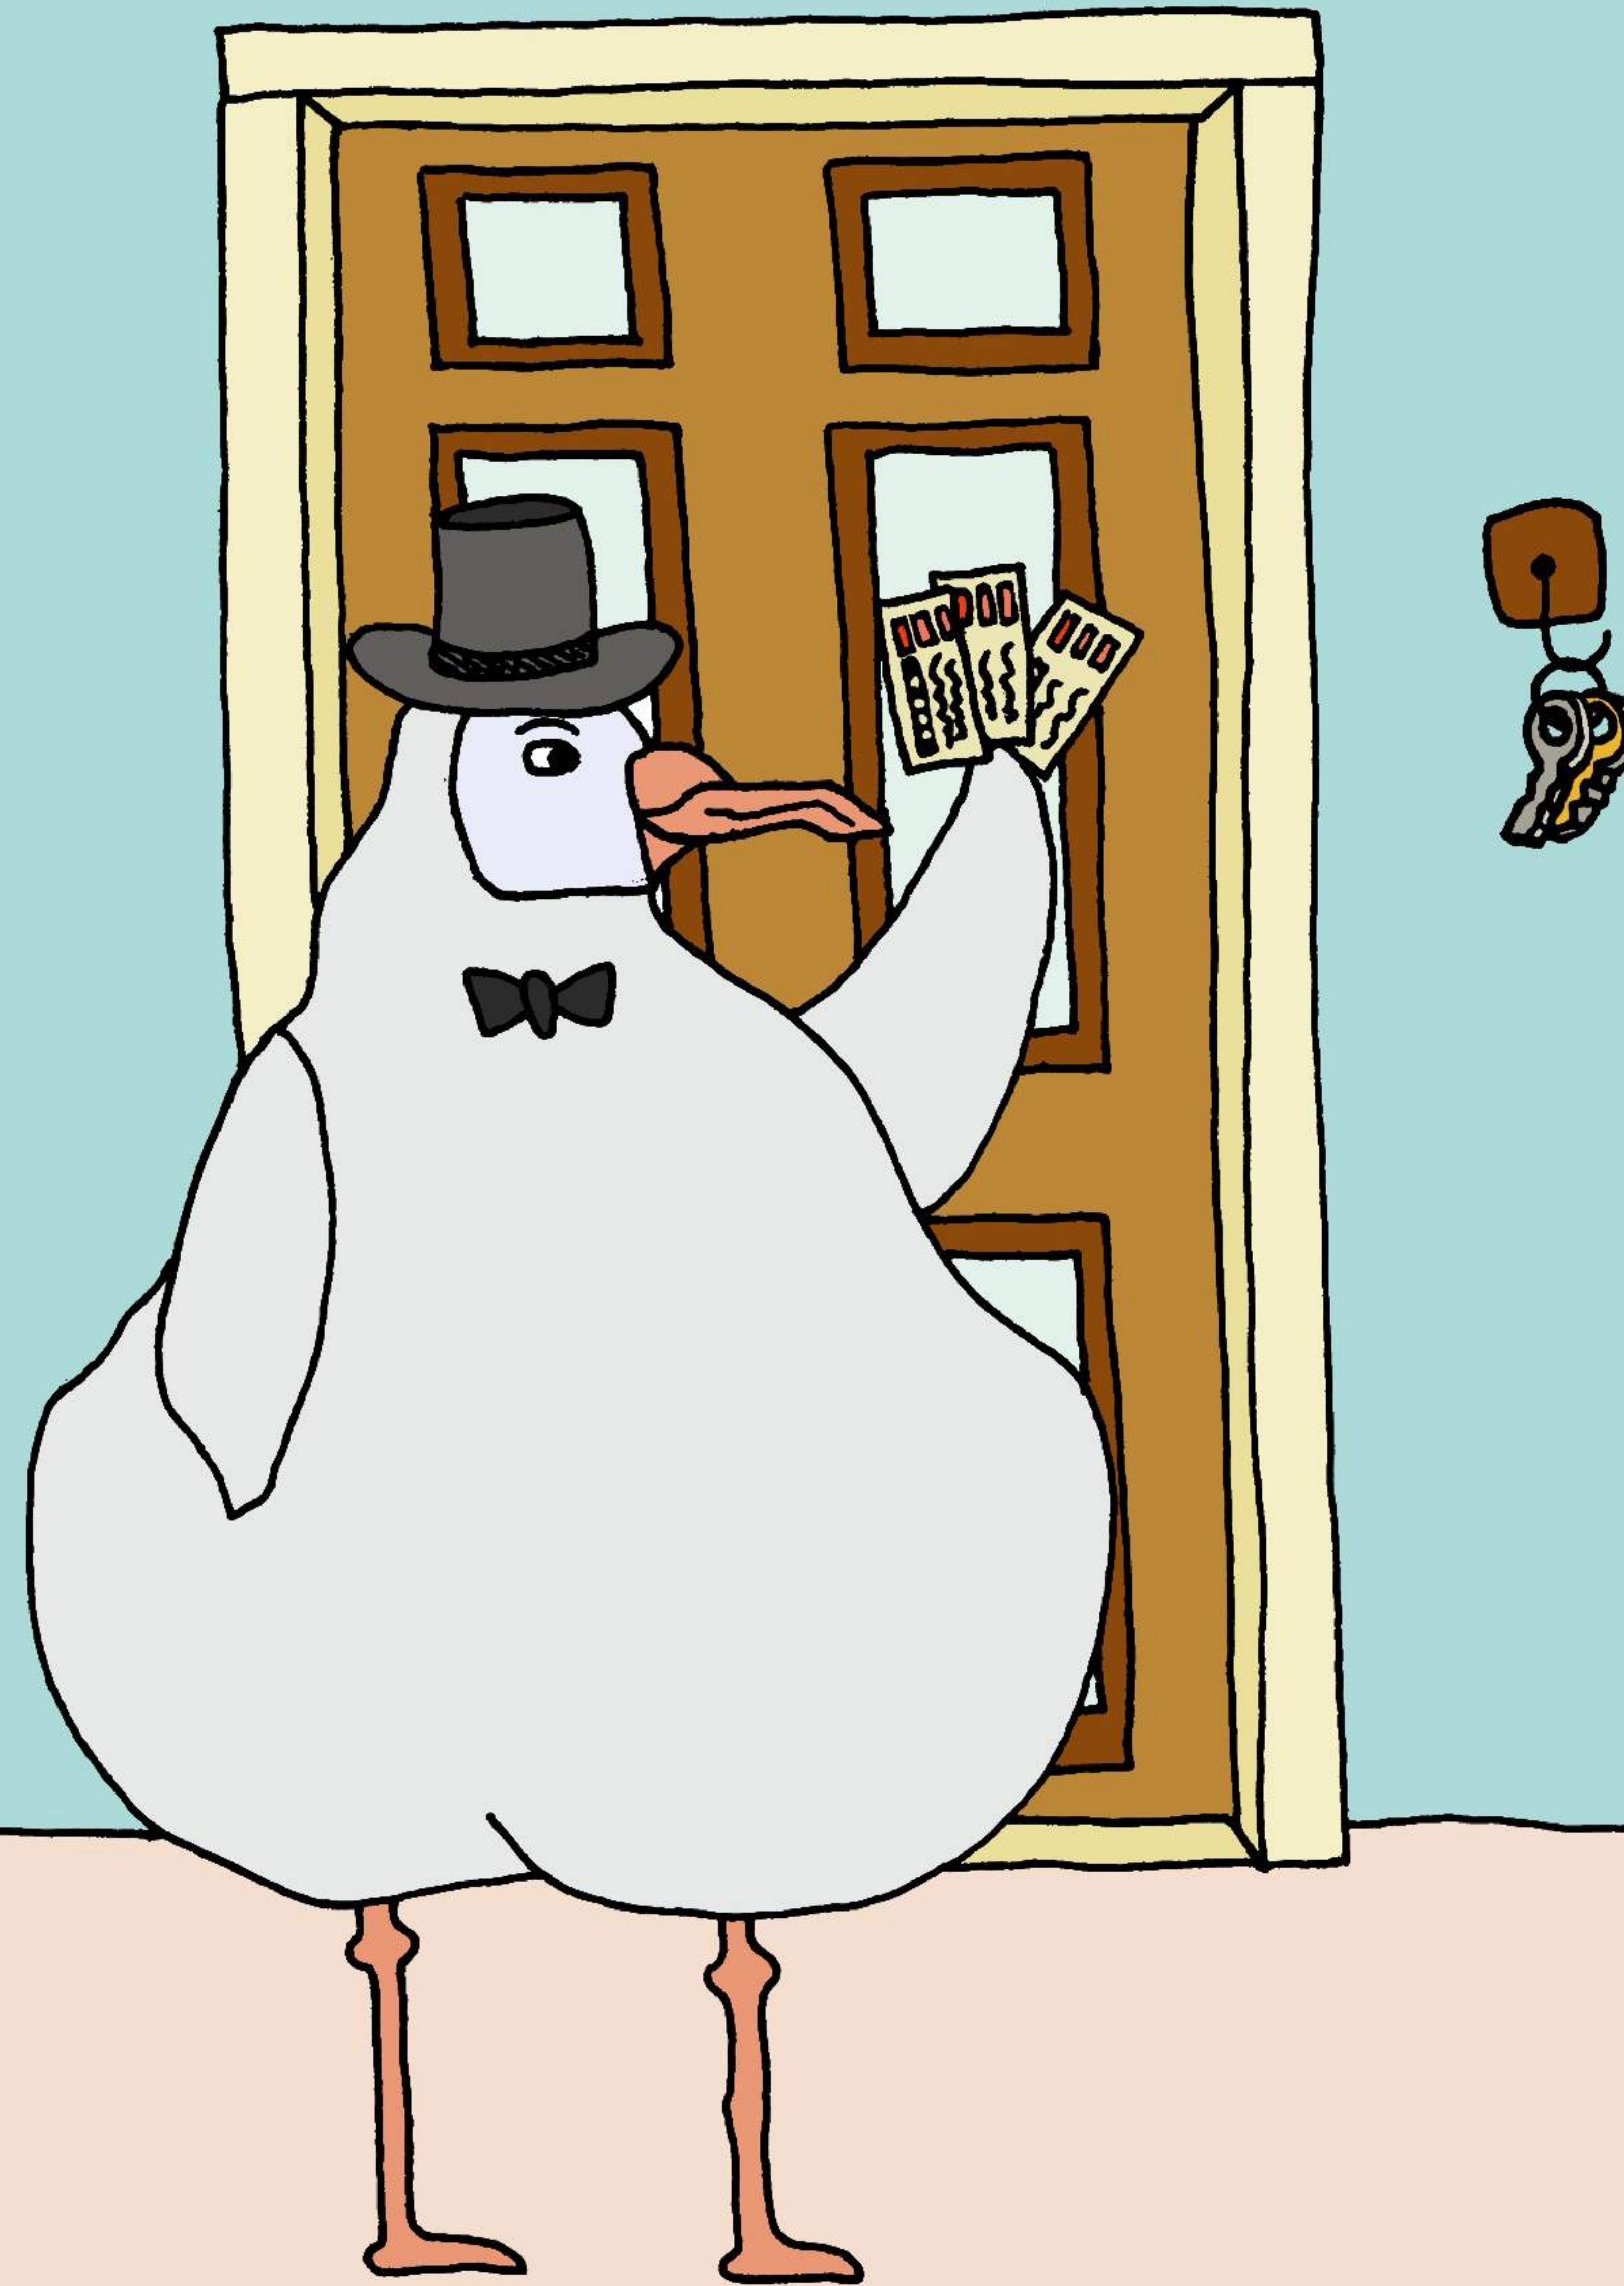

MOMMY BIRB PICKS CHESTER UP FROM SCHOOL

A RELAXING EVENING AT HOME

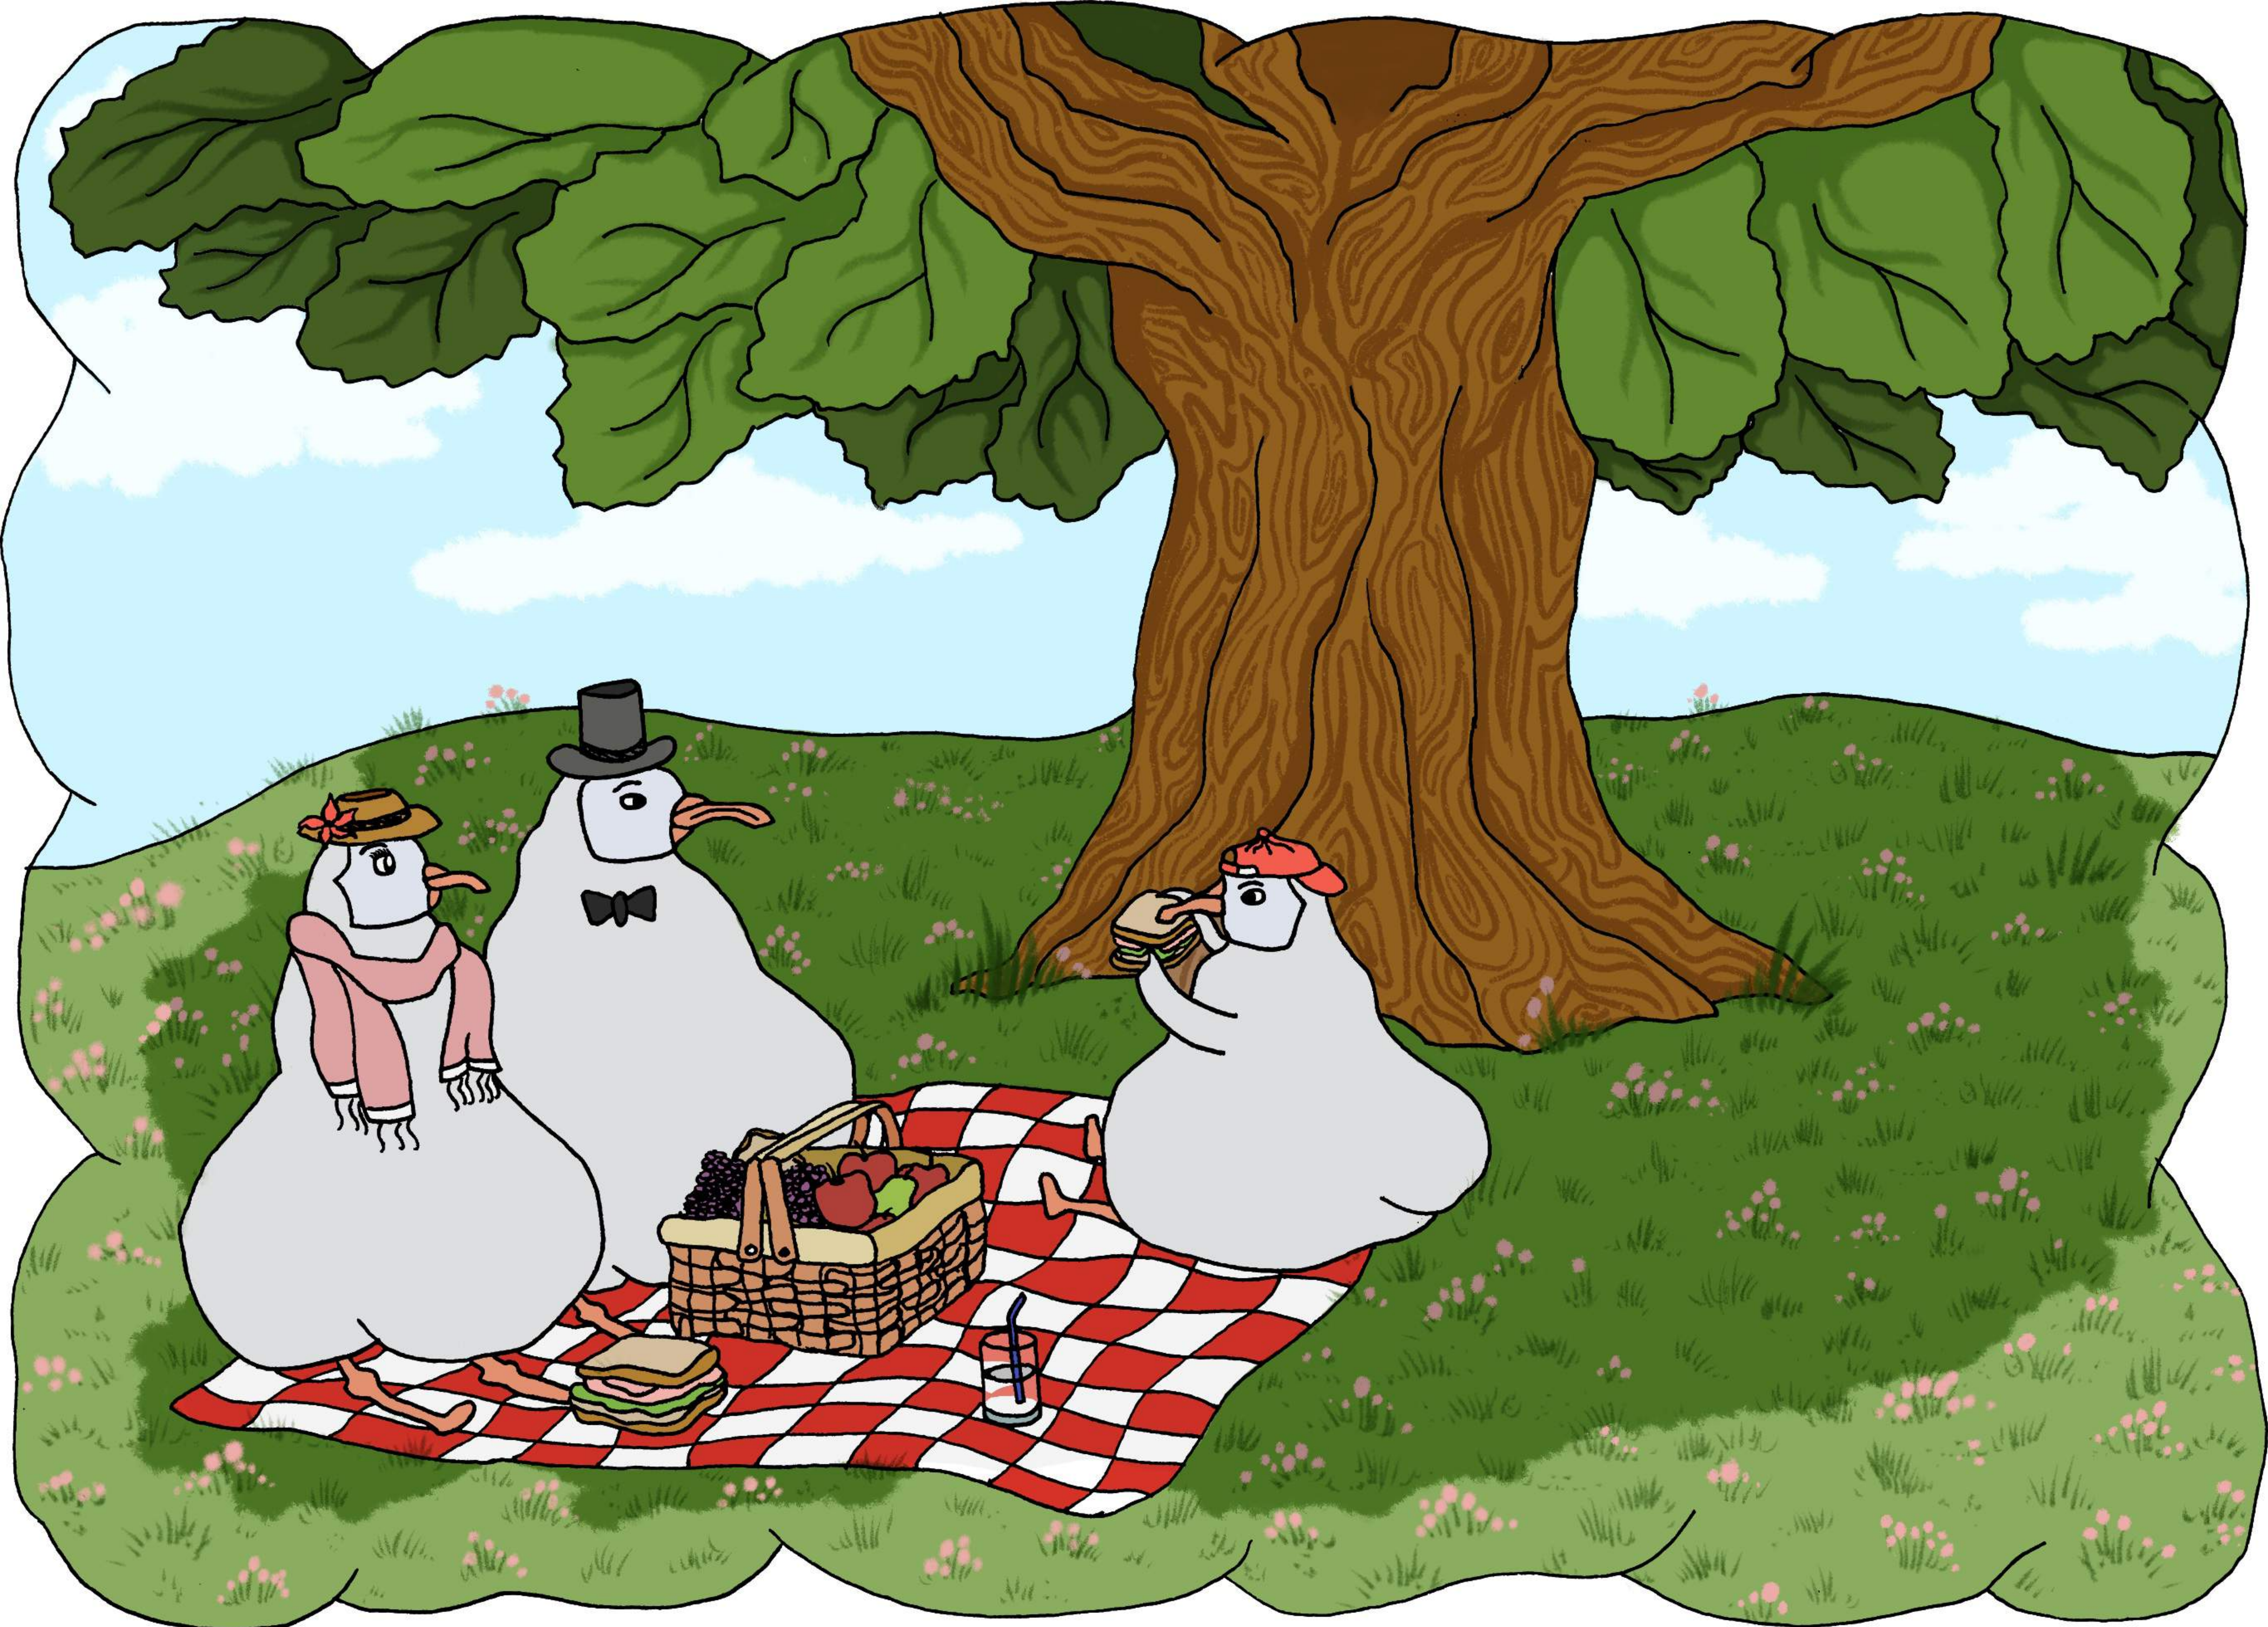

GARAGE: *RUMBLE* *RUMBLE*

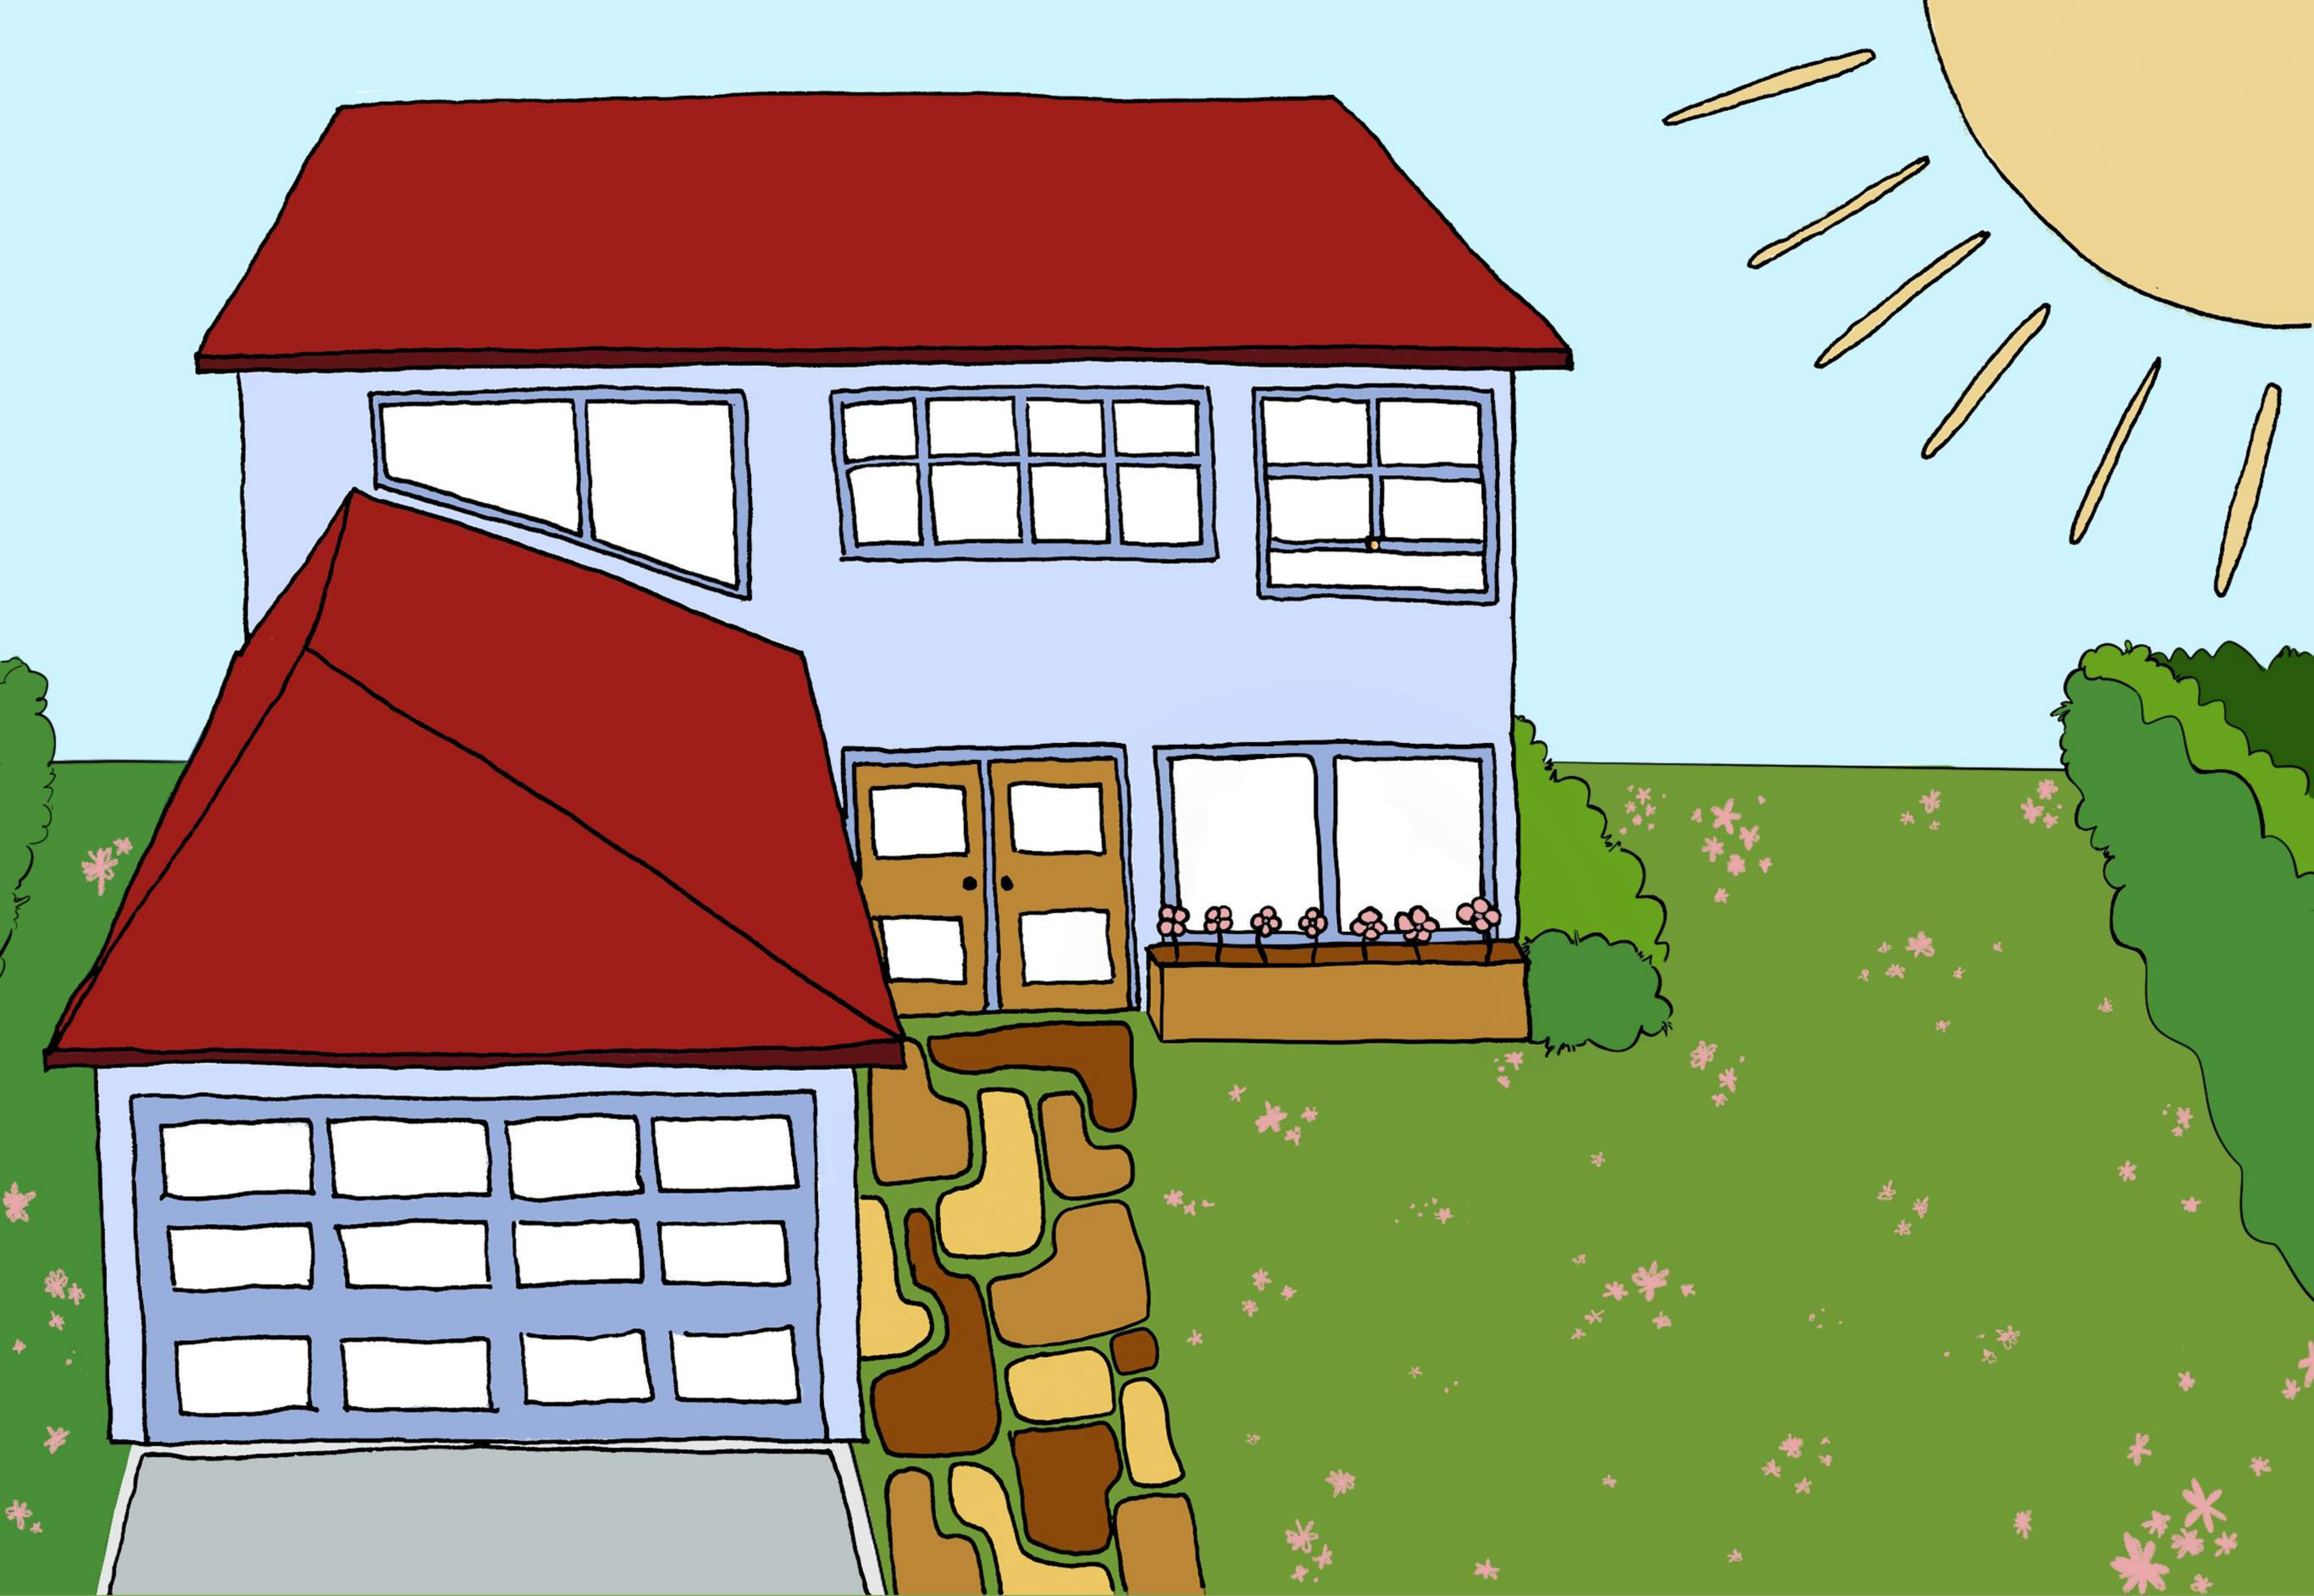

“I got us tickets to a vacation!”

“We can swim...”

...and have a picnic together!”

THE NEXT DAY, THE FAMILY CONTINUED THEIR ROUTINE

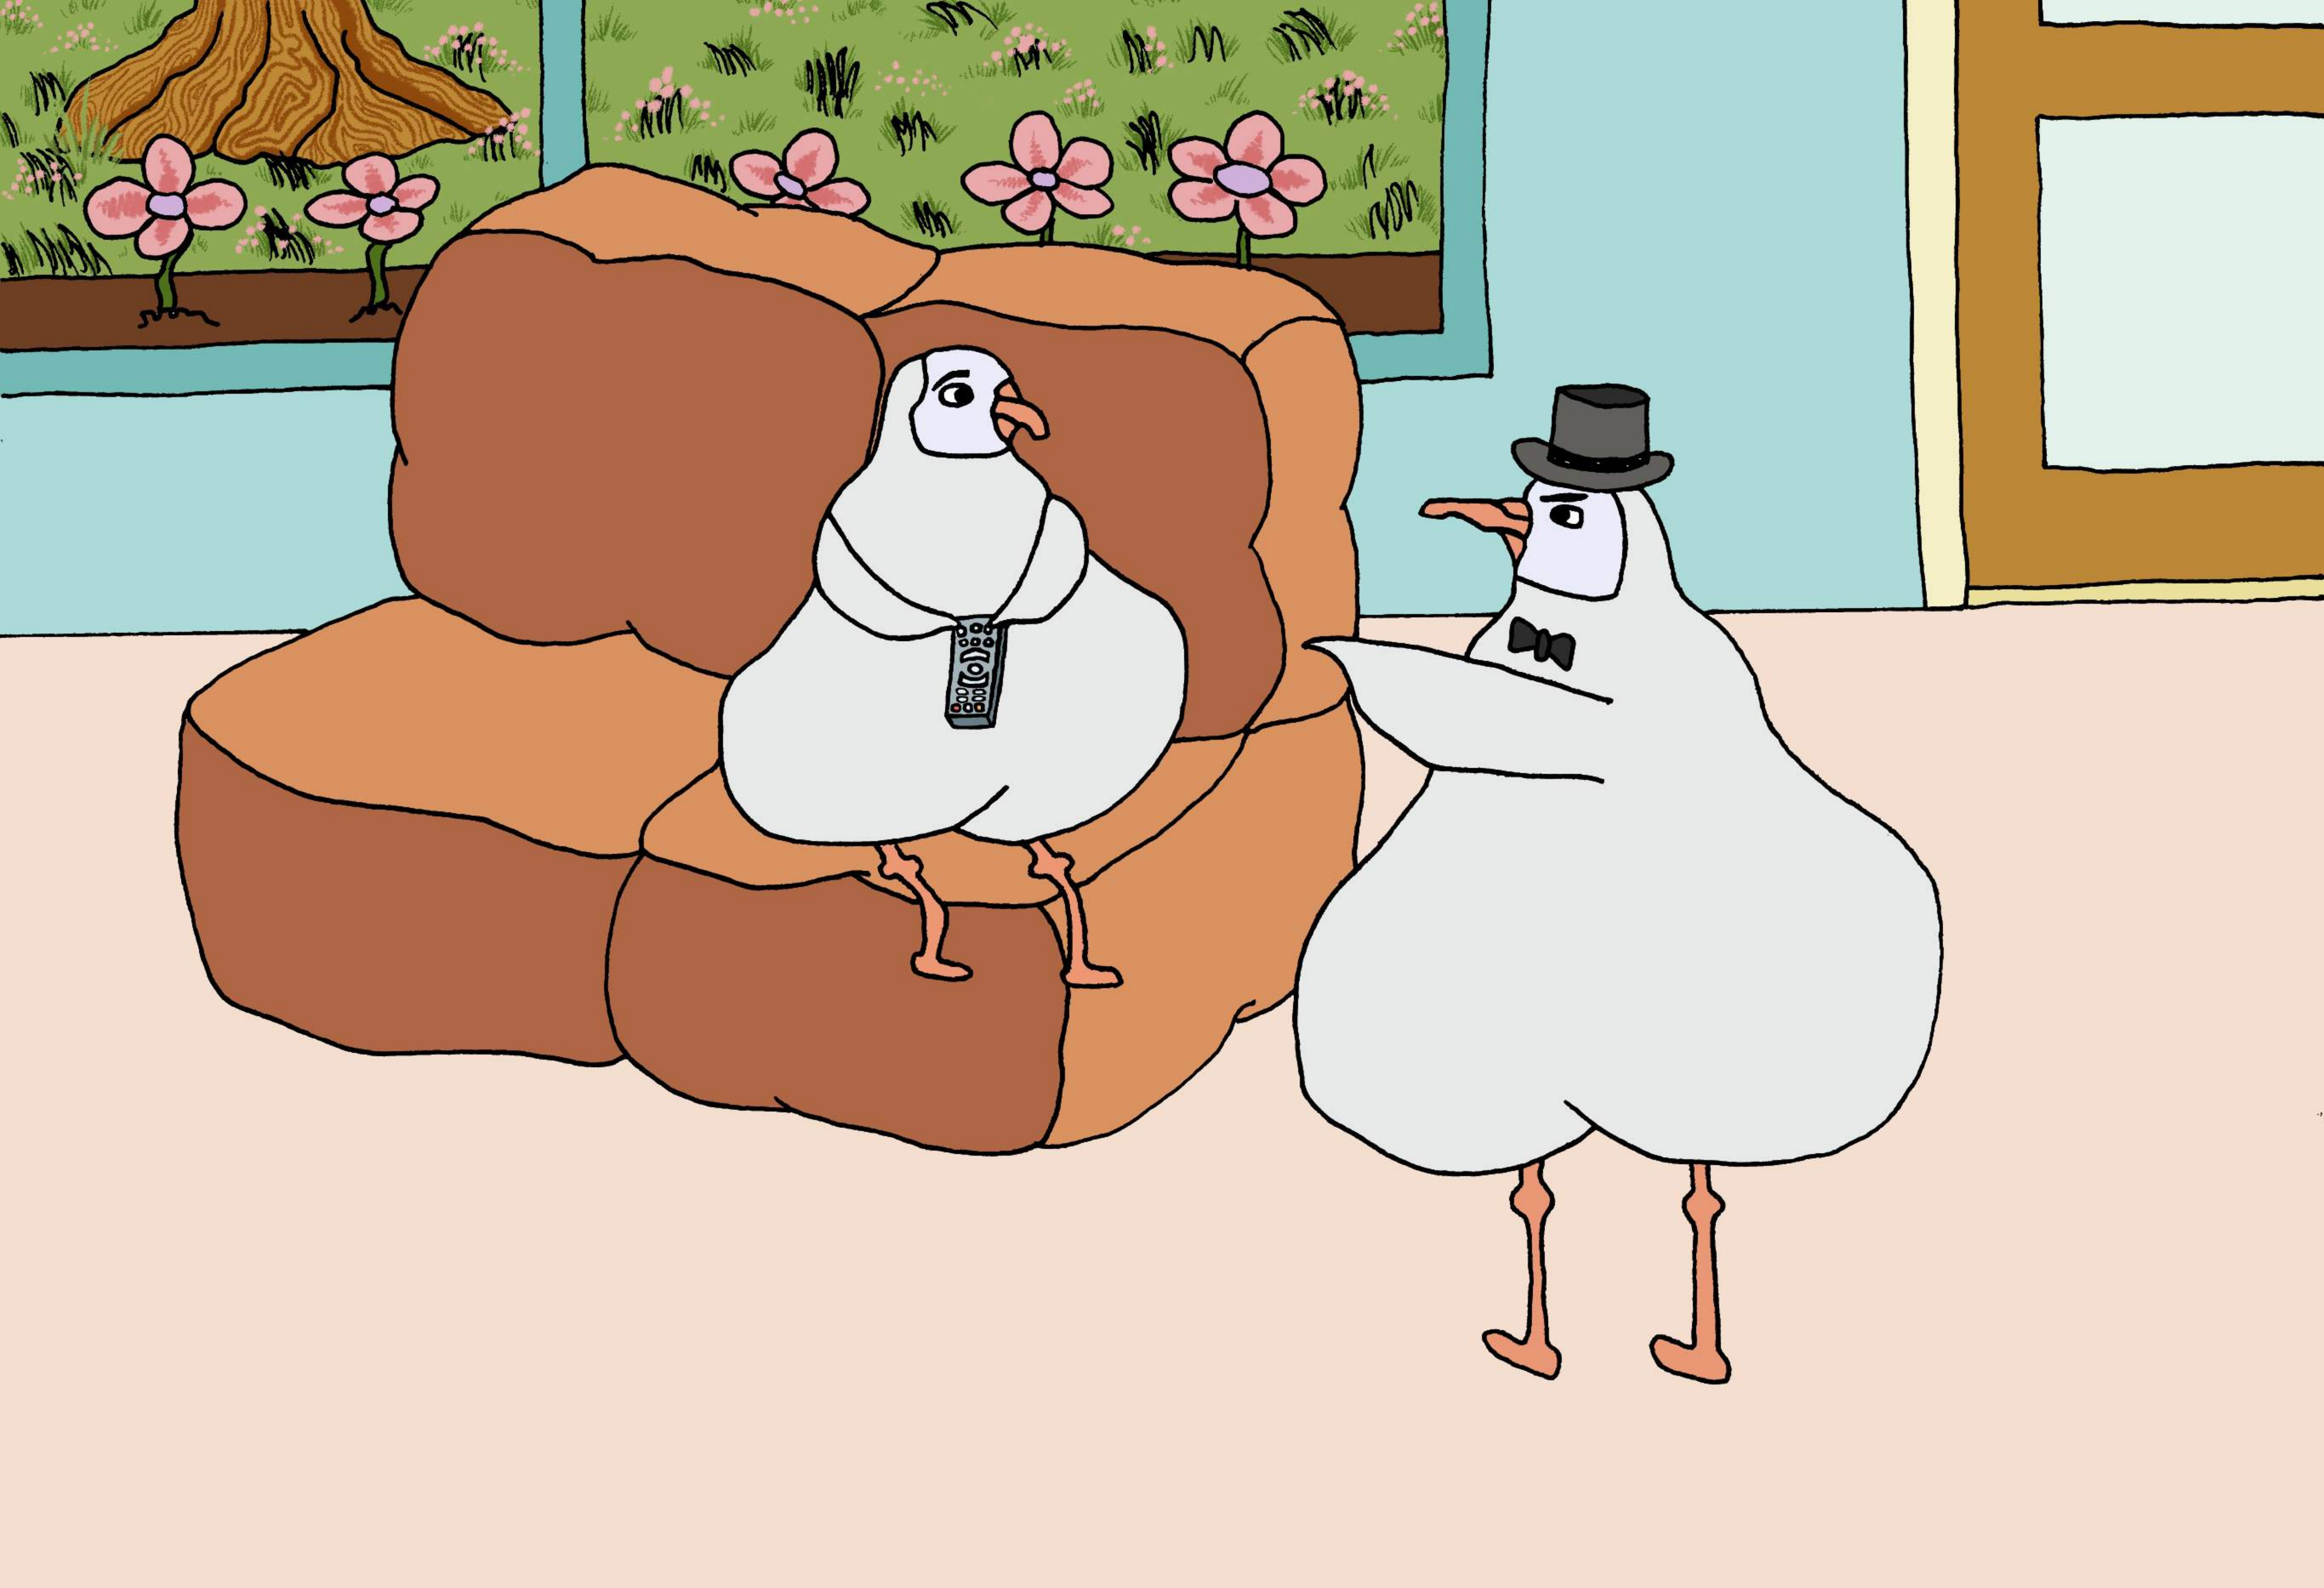

CHESTER JUST GOT HOME FROM SCHOOL

GARAGE: *RUMBLE* *RUMBLE*

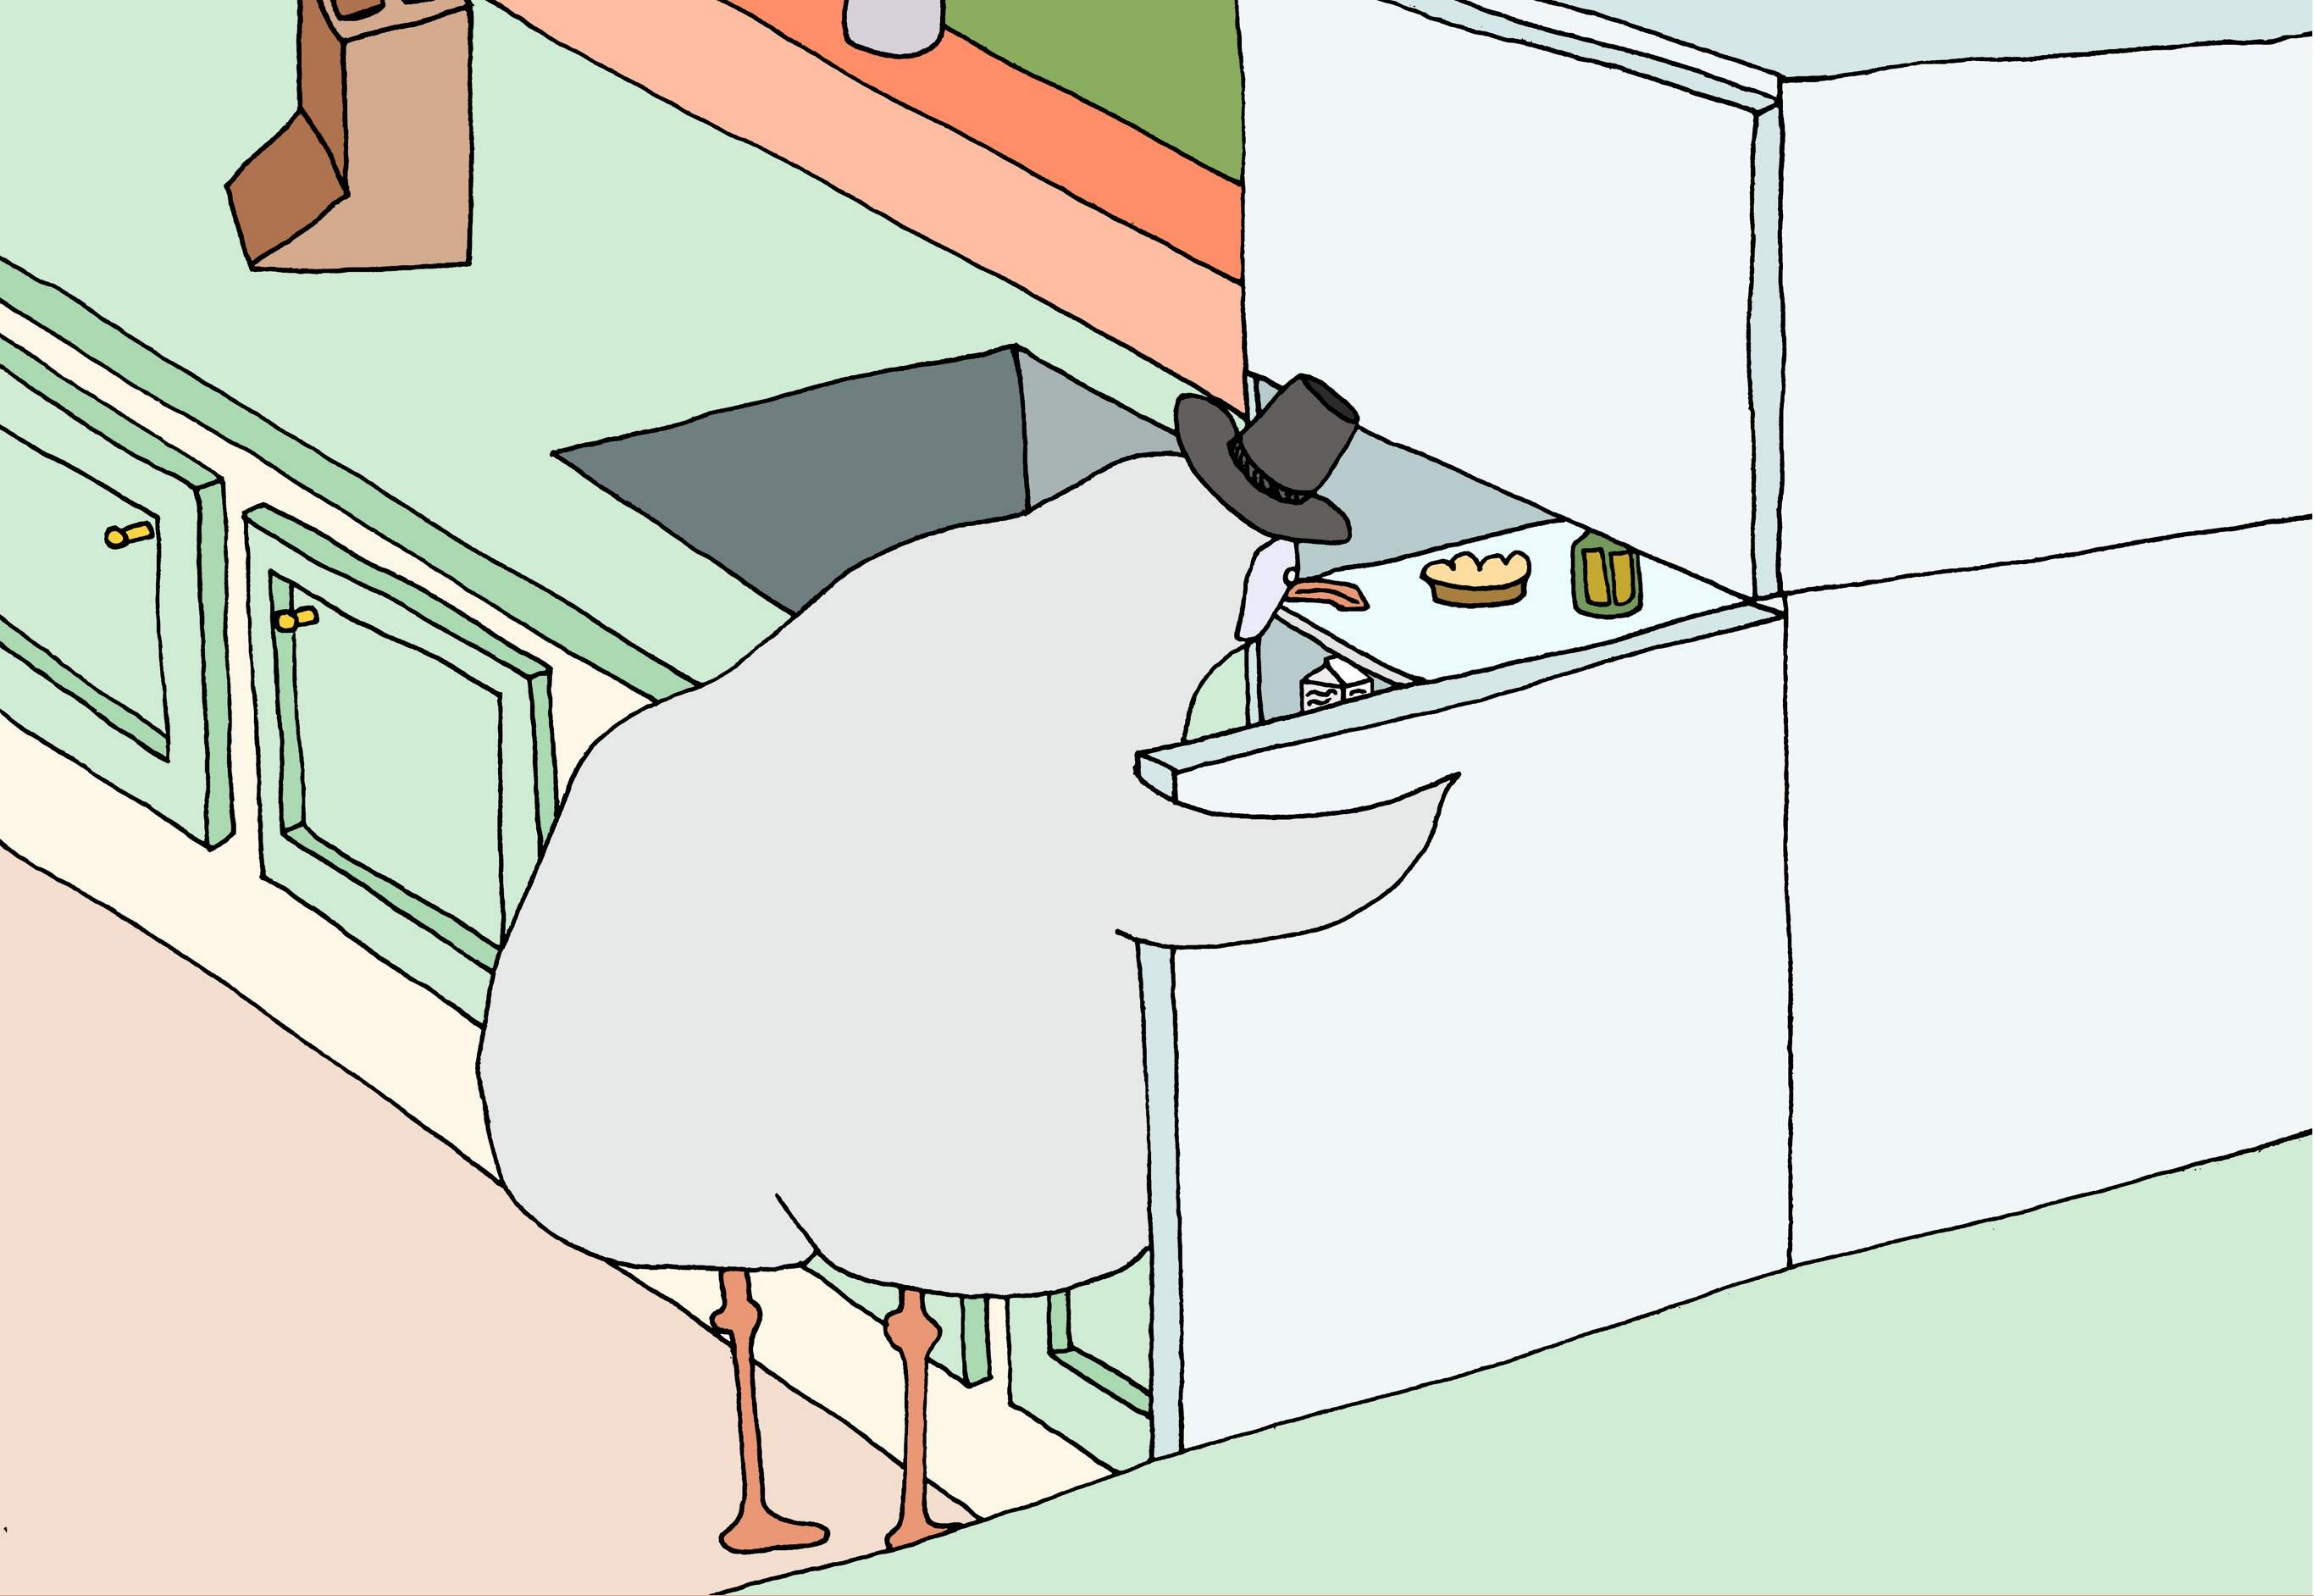

“I can’t believe they made me work overtime...”

“Anny, why is Chester watching TV again?
He should be doing his homework.”

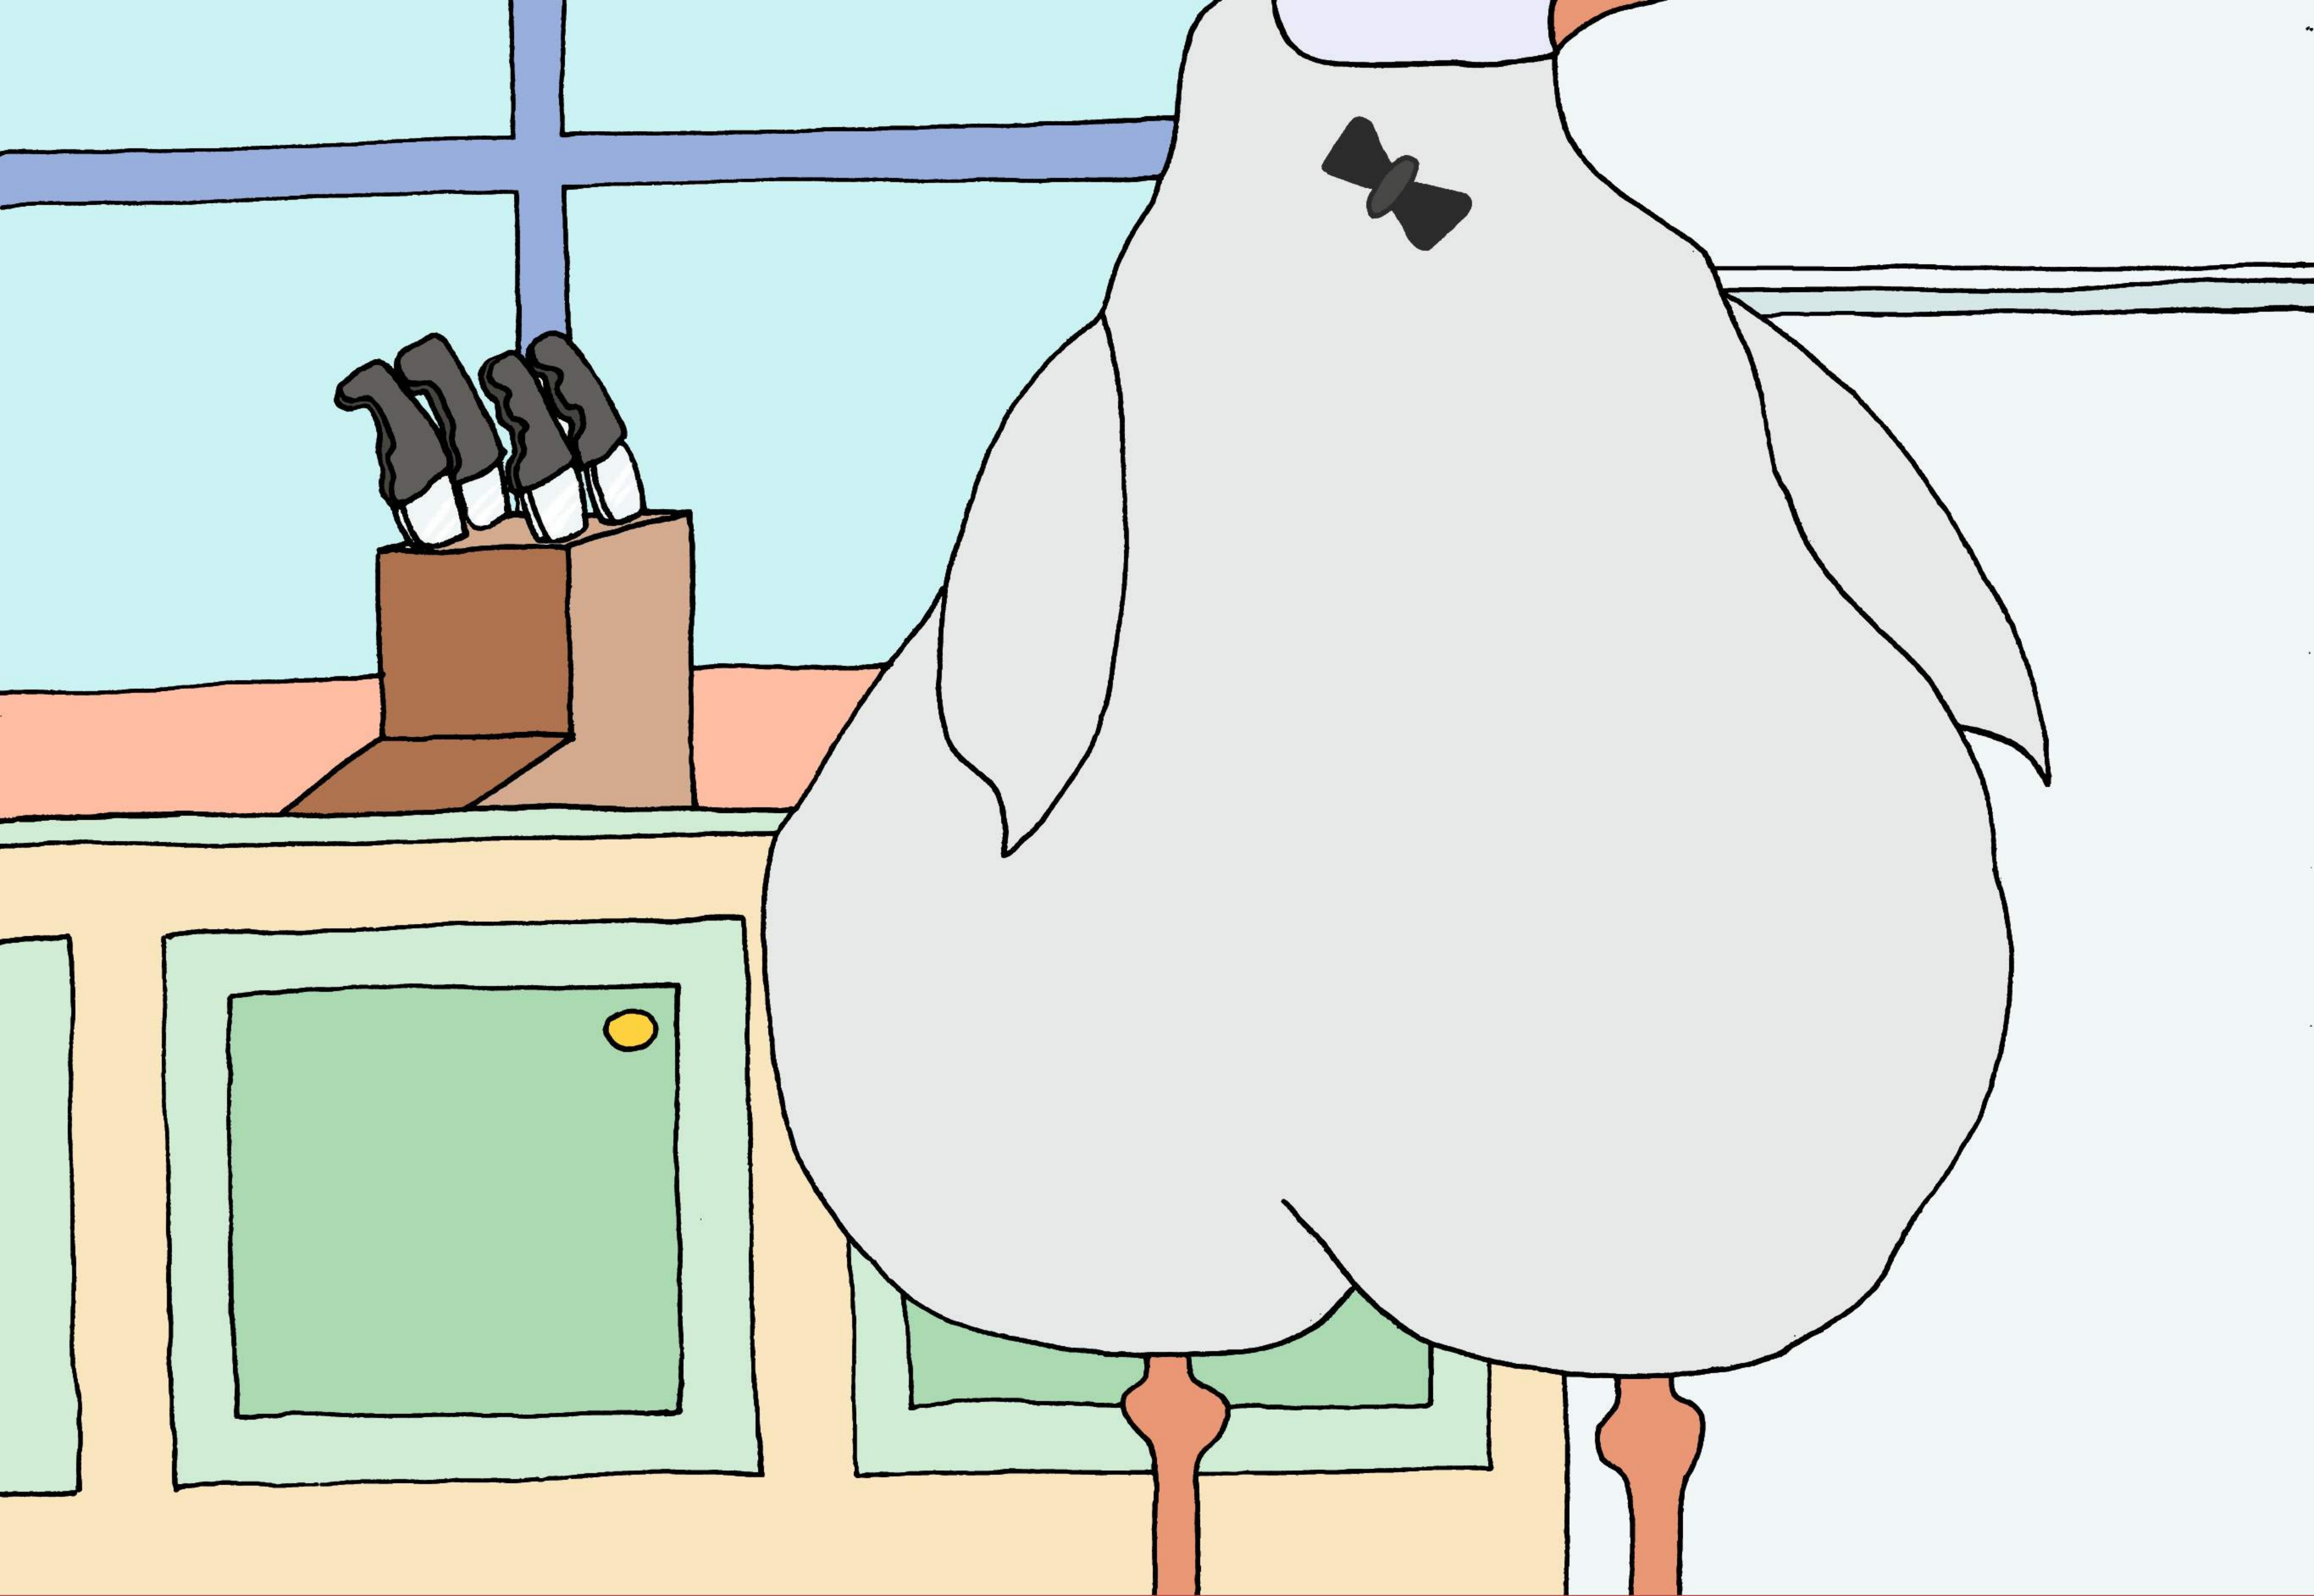

“ ”

“I pay for the electricity and I don’t want my son watching the TV all day!
Also, where’s my beer???”

“I’m tired of your excuses, both of you!”

“I work so hard at the factory...

I pay all the bills...

I...”

LOOKS LIKE IT WAS JUST ANOTHER ONE OF THOSE DAYS

THE END
